FAITH WORKS

This week the Church recalls a major event: the beginning of the **SECOND VATICAN COUNCIL** on October 11. Vatican II launched a major renewal and sought to present the ancient truths of our faith in language and ritual which is more accessible and understandable for modern women and men.

The council undertook many reforms on a broad range of topics. The resulting shifts in focus were vitally important, and touched everyone involved with the church at any level.

Here are some of the shifts that have occurred as a result of The Second Vatican Council:

- We understand grace to be God revealing God's own self to us, to everyone. We understand that God is present with us right now.
- This opens the door to Christian unity; God is also present in the lives of other Christians.
- This also opens the door to what is true and good within all of the world's religions; God is present there, too.
- But most of all, it helps us see ourselves as the People of God, a new view of the church.
- Baptism and Eucharist as the cornerstones of our Community life, the source and summit of all we do. It restores the place of Initiation in the Christian life.
- Everyone is called to holiness, that God is present in the lives of all people, including all of our neighbors.
- The place of the poor and rejected shifts from a forgotten corner to center stage: their welfare is on a par with our own.

Pope John 23 offered direction to the Council Fathers (the more than 2,400 bishops attending the opening ceremony) with these comments:

I confidently trust that under the light of this council the Church will become richer in spiritual matters and, with this new energy, will look to the future without fear. In fact, by bringing itself up-to-date where needed, the Church will make people, families, and whole nations really turn their minds toward divine things. And, therefore, we are all very grateful for this moment.

The greatest concern of this council is this: that the sacred and central truths of our Christian faith should be guarded and taught more effectively. These central truths embrace the whole human person, composed as we are of body and soul and, since we're pilgrims on earth, they lead us always toward heaven. This puts into perspective that we are to use earthly things only to attain a divine good.

The substance of our central beliefs is one thing, and the way in which it is presented is another. It is this latter presentation of the faith with which we are concerned here and our approach to this will be a thoroughly pastoral one. The Catholic Church considers it a duty to work actively to bring about that unity, which Jesus himself called for in his

final prayers. It is a triple sort of unity which we seek.

First, a unity among Catholics themselves which we want to keep firm and strong.

Second, a unity of prayer and desire among those other Christians now separated from Rome.

And third, a unity in esteem and respect for those who follow non-Christian religions. It is the clear aim of this council to bring together the Church's best energies and strive to have people welcome more favorably the good tidings of salvation.

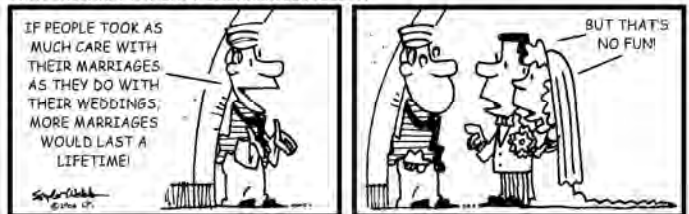

Most Catholics have never really had the opportunity to understand what happened at Vatican 2, but SJN parishioners can. **Faith UNwrapped** will feature the themes of the Council throughout our new season. Our first session begins the week of Oct. 14 for everyone in the parish. **F.UN. for ADULTS ONLY** will continue a further in-depth investigation on Oct. 25.

This coming week we will begin our Faith UNwrapped sessions for all parishioners. Our focus this year will be on the Vision of Vatican II.

This year is the 50th anniversary of this wonderful Council that has meant so much to us as the people of God today! You may ask, "Why do I need to know about Vatican II?"

Bill Huebsch writes about this. "Vatican II launched a major renewal and sought to present the ancient truths of our faith in language and ritual which is more accessible and understandable for modern women and men. The council undertook many reforms on a broad range of topics." These topics touched everyone and we will explore them throughout the year.

MIDDLESCHOOL NEWS

October Greetings and Salutations,

Our Confirmation Registration meeting is next Monday, October 8th at 7:30p.m. All Parish eighth grade youth must register in the program in order to complete the sacrament in April 2013. It is recommended that the student and one parent attend the meeting. The students in the eighth grade weekly class sessions will not meet October 8th or 9th due to the registration meeting. C U there.

In today's Gospel we once again hear Jesus inviting children to come to him. Do you remember the excitement you had as a small child when you entered a store with the anticipation of experiencing the toy department? Your eyes may have grown with wonder as you saw the new toys for the season. Do you remember how you couldn't wait to get home and play with that special toy that your parents bought for you? It is with this same childlike excitement that Jesus challenges us to enter into Gods presence. We come to God with wide eyed anticipation of his love as we prepare to enter his kingdom.

Today is Respect Life Sunday; let us pray for our children. Heavenly Father, we pray for all children. Feed the hungry children. Send your healing love to those who are ill. Comfort children who have lost loved ones. Bring peace to children in homes broken by quarrels and violence. Bless all your children. AMEN.

Have a great week everyone and remember... help a friend with any chore and in the end the day's worth more.

Blessings,
Sabrina Queen

“We, the youth of St. John Neumann, strive to be Christ to others.
By reaching out and welcoming all teens, We hope to foster a unique and open environment
In which we promote the morals and teachings of the Catholic church.”

HIGH SCHOOL WITH MARY WILKERSON

Last youth group, we talked about dating relationships. We saw examples of good and bad relationships from movies and TV shows, such as Boy Meets World and Friends. It was great to be reminded about what it means to really have a good relationship with someone, and be reminded not ALL high school relationships are necessarily bad.

What stuck out to me the most was anytime we mentioned people who are just in a relationship for the sake of it. I feel like a lot of people do that, and it seems so silly to me.

Why do we feel like we need some significant other to be happy? Why do we feel lonely without one? That's what I personally pondered about. Something mentioned that I really liked was to always have a goal in mind with a relationship. What are you trying to take out of it? Why are you in it?

Overall, it was a great meeting. It's always nice to hear some perspective on prevalent teen topics.- Jason Brown, Senior

Don't forget to join us every Wednesday night for high school youth group. You won't regret it!

If you happen to be free Sunday, check out the annual LIFECHAIN. LIFECHAIN is an awesome opportunity to stand peacefully in the protest of the taking of human life through abortion. As a wise man once said, 'A persons a person no matter how small'- Dr. Suess.

Have a great week!

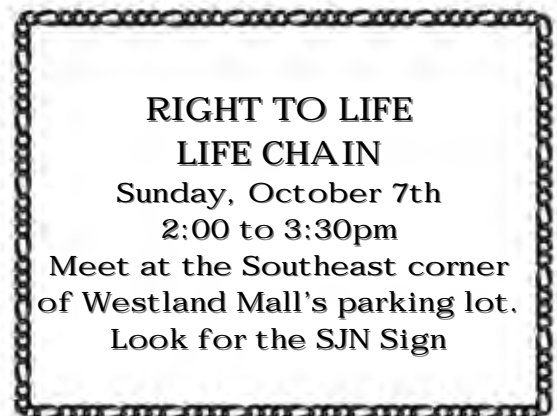

What exactly is Grief Support? It is an opportunity to talk about your loss, to express your grief, ask questions, and support through your grieving process. It is for people who have lost someone in their lives. All are welcome regardless of church affiliation.

Dear St. John Neumann Parishioners,

It's comforting to know that when we have special activities for families in our community, we can count on the support of caring organizations like yours. I would like to take this opportunity to thank you for putting your compassion into action on behalf of families in need. Your kind and generous donation of School Supplies equaling \$1,297.97; Gift Cards equaling \$2,715.00; and toiletries/personal care items and food totaling \$6,750.00, brings a combined total of \$10,768.40 for our Christmas in July program, will bring a lot of smiles to the children and their families who will participate this year. Your support of the mission and ministry of the Salvation Army is deeply appreciated.

So much of what we do would be impossible without your help. We are so grateful for your support, and for helping us carry on our promise of "doing the most good" in our community. May God richly bless you!

Are you looking for ways to experience God? It can be difficult. God is a spiritual being. How do you experience a "spiritual being?"

Members of the Society of St. Vincent de Paul invite you to share in their ministry of experiencing God in the poor.

Holy Scripture tells us: "The Word became flesh and lived among us, and we saw His glory, the glory that is His as the only Son of the Father, full of grace and truth." (John 1:14).

We see Christ in the poor and when we see Christ we experience God.

Women's Retreat

"Keep the Change"

The women of St. John Neumann Parish are invited to participate in a weekend retreat at St. Paul of the Cross Retreat Center.

Our retreat theme for this year is "Keep the Change." We deal with change in almost every aspect of our lives, from relationships and work, to church and society. Some changes we undertake ourselves, but much of the time we don't like change, and we often wish that those who initiated the changes would have kept them to themselves.

But as is symbolized by the image of a butterfly with a cross, our faith can give us a different perspective on change. We often find that God is present in the changes we undergo. In fact, these changes can be for us moments of transformation, just like the change that transforms a caterpillar into a butterfly.

Our retreat will lead us to reflect on how we respond to change in faith, and how we might even be called to enter into change, so that we may become more and like the Son of God, Jesus Christ, who underwent various changes in order to bring us to salvation. Instead of resisting change, we may find ourselves willing to "keep" it.

Women's Retreat – October 19-21, 2012

Please contact your co-captain for information and/or to make a reservation.

Greetings from All Saints Catholic School in Canton! We would love to share a bit about our school with you each week! All Saints opened back in 1997 and we currently have 540 students enrolled in preschool through 8th grade. We are a vibrant school community, focused on growing in faith, academics, and athletics. All Saints draws students from 25 different parishes. Our students attend Mass each week, and have daily religion class. We also feature a rigorous curriculum called Core Knowledge, along with state standards and Common Core standards which you can read about next week.

Rosary

Every year, we have a Catholic identity focus, and our theme for our new school year is "Growing in Faith." We continue to help students grow their faith and we want to reach out to you, our parish partner, to build a community of faith with us. It has become a tradition at our school to pray the Rosary with a volunteer mom leading a group of students with a set of Rosaries that goes from class to class. This year, we would like each student in the school to have one! If you have an extra Rosary or two at home, please deposit any donations in the box by the Salvation Army bins or drop them off at All Saints Catholic School (48735 Warren Rd. in Canton). If you drop them off in the box, please label your Rosaries with your name and address so the children can pray for you and send you a thank you card. If you would like to drop off the Rosaries at All Saints, we would be happy to show you around our school! We are collecting Rosaries through the end of October. Thanks so much for your help as we teach the next generation about our Catholic faith!
